

Burnable garbage

Tamano City Paid Designated Bag

Put it in a designated paid bag and put it out

Twice a week

Please put it in a designated paid bag and put it out to the designated place on the designated day by 8 am.

Things to be aware of when disposing of garbage

- We will not collect items that are not in the designated paid bag.

Main burnable garbage

 <p>Dirty paper</p> <ul style="list-style-type: none"> ● Used tissue ● Paper cup ● Thermal paper ● Paper containers such as cup noodles ● Carbon paper ● Paper tray 	 <p>Kitchen waste (including seashells)</p> <p>Please dehydrate the garbage sufficiently.</p>	 <p>Rubber and leather products</p> <p>The removed metal fitting is "Non-burnable garbage B".</p>	 <p>Cooking oil</p> <p>Harden or soak in paper or cloth and put out.</p> <p>Vegetable oil can also be put out at the collection box installation site.</p>
 <p>Paper diapers</p> <p>Please remove filth with the toilet</p>	 <p>Videotapes, CDs, etc.</p> <p>It's okay to put it in a case and put it out</p>	 <p>Plastic tank for 18 liters</p> <p>The plastic tank for 20 liters is oversized garbage.</p>	 <p>Futon, carpet, old cloth, etc.</p> <p>Cut within 50 cm on each side. If you put it out as it is, it will become "oversized garbage".</p>
 <p>Thin plastic products with a thickness of less than 2 mm</p> <ul style="list-style-type: none"> ● Plastic tank for 18 liters ● Straw ● Plastic flowerpot ● Sponge etc. ● Plastic bucket 	 <p>Items that do not remove stains even when washed lightly</p> <ul style="list-style-type: none"> ● Compost bag ● Plastic tubes, etc. 	 <p>Items that cannot be put out on used paper</p> <ul style="list-style-type: none"> ● Waterproof paper ● Sticker ● Sticker mount ● Tissue ● Vinyl coated paper ● Photo ● Crimping postcard ● Oil paper ● Carbon paper ● Receipts, etc. ● Paper diapers ● Waxed paper (paper cups, etc.) ● Thermal paper (fax / word processor) 	
<p>Garbage in a trap box (for home use)</p> <p>Garbage generated when cleaning the trap box contains a lot of water, and there is a danger that it will be scattered to passers-by and nearby buildings when collecting it, so it cannot be collected as it is.</p> <p>Drain the water sufficiently, such as by drying it in the sun or soaking it in paper, and then dispose of it as "burnable garbage."</p>		 <p>If you separate the garbage, it will be a resource. If you mix it, it will be garbage.</p> <p>Tray and milk cartons are collected at supermarkets and other places. In addition, used paper, bottles, cans, etc. are collected by a recyclable waste collection promotion organization.</p> <p>Please cooperate in the separation of recyclable waste.</p>	

Exception item

	<p>Pruned branches, fallen leaves, weeds</p> <ul style="list-style-type: none"> ● Pruned branches should be bundled within 50 cm in length, 5 cm in thickness, and 30 cm in thickness, and tied with a string. ● Put fallen leaves and weeds in a transparent / translucent bag and put them out. 
---	--

Non-burnable garbage A

Tamano City Paid Designated Bag

Put it in a designated paid bag and put it out

Once a month

MEMO

Small household appliances / PC recycling

Let's recycle small appliances, smartphones, tablets and PCs!

Example of items to be collected

Example: Products such as mobile phones, digital cameras, game consoles, personal computers, personal computer peripherals, cords, etc.

* In addition to this, items that operate on electricity or batteries can be placed in the collection box.

* Fluorescent lamps and batteries are not applicable.

City collection box (free)

Small household appliances collection boxes are installed in some facilities.

Small household appliances that are no longer used at home and that fit in the collection box slot 30 cm x 15 cm are eligible.

Facility where collection box is installed

Tamano City Hall 1st floor north entrance

Each civic center

Healthy Center

Minerva

East Cleaning Center

Recycle Plaza

Children's house

Please note

○Please be sure to delete your personal information.

○Be sure to remove batteries and fluorescent lights and put them out as "Dangerous garbages".

○Be sure to remove the battery (rechargeable battery). (P10)

Collection using courier

A government-certified contractor under the Small Home Appliance Recycling Law collects small home appliances using a parcel delivery service.

1. Application from the Internet (PC, smartphone)

2. Pack in a box (total of 3 sides up to 140 cm, weight up to 20 kg)

3. Courier collects at home (at the earliest the next day)

* There is a charge for collection, but it is free if a computer is included. (However, there is a charge from the second box)
